Spanish Courses

Enrolment process

1. Check your level

If you already know some Spanish but you are a new student at the Instituto Cervantes, you must complete a level test in order to be assigned to the most appropriate course for you. Complete beginners should start by A1.

2. Choose a course

Once you know your level, its time to choose your course on our programme! You will find options for twice a week & other special courses, either in the morning, afternoon or evening time, run either online or in person.

3. Payment

We require all payments to be made upfront prior to the commencement of your course. You can pay for your course either via an online payment link, or in person at the Institute.

4. Get prepared

Once your enrolment is confirmed, will need to purchase your textbook which corresponds to your course, a notepad and a pen. If you are taking part in an online course you will need to download Zoom, ready for your class teacher to send you the class link on the first day of class.

5. Get learning

Simply come the Instituto on the day of your first class or join your online Zoom class to get learning! You may also choose to take advantage of the free library membership available to all current Cervantes students or learn more about the Hispanic world at one of pur cultural events!
